Ameren Energy Marketing (AEM) and the Troy/Maryville/St. Jacob Area Chamber of Commerce are excited to announce a new program to help members save money on electricity supply bills. At current market conditions and with your discounted pricing, we are able to provide you with pricing that will save your business up to 30% on the supply portion of your utility bill. That's why your chamber is endorsing AEM as an alternative electric supplier through AEM's **Power Connect** program.
